# THE GRAY MAN

Mark Greaney

*Court Gentry is a good man.  
But he's a GREAT assassin.*

## Meet THE GRAY MAN...

Court Gentry is known as The Gray Man—a legend in the covert realm, moving silently from job to job, accomplishing the impossible, and then fading away. And he always hits his target. But there are forces more lethal than Gentry in the world. And in their eyes, Gentry has just outlived his usefulness.

Now, he is going to prove that for him, there's no gray area between killing for a living—and killing to stay alive.

**“Hard, fast, and unflinching—  
exactly what a thriller  
should be.”**
